The screenshot shows the homepage of the cancer portal. At the top, there is a navigation bar with icons for Home, Cancer/Prevention, Search, Contact/Hotline, and About Us. The main banner features a family photo and the text "ほっとかないで、ほっとしよう。" (Don't worry, let's be at ease). Below the banner is a search section with a "検索する" (Search) button and several filters for cancer type, date, and location. At the bottom, there are several service categories: "がんにならない" (Prevention), "早期発見・治療" (Early detection and treatment), "安心して暮らす" (Live with peace of mind), and "サポート企業" (Support companies).
